The image shows a close-up of a marbled tile surface. The pattern consists of irregular, light blue and white speckles of varying sizes scattered across a light beige or cream-colored background. The overall appearance is that of a natural stone or a high-quality ceramic tile with a marbled effect.

The background of the page is a dense, repeating pattern of terrazzo tiles. The tiles are irregular in shape and size, scattered across a light beige or off-white background. The colors of the tiles include various shades of grey, blue, green, yellow, and brown, creating a classic terrazzo aesthetic.
